

10 TIPS

FOR ATTENDING MANITOBA MOOSE GAMES

1 PURCHASING TICKETS

If you are attending a game with 10 or more people, consider purchasing one of our many group package options. Group package benefits include price discounts, personal service from one of our helpful Manitoba Moose Ticket Sales Representatives, and the opportunity to create an exclusive event just for your group!

Attending in a smaller group? Try our Me +3 deal; buy three tickets and get the fourth for free!

Group tickets are available for as low as \$15.75 (plus fees).

To find out what group package is best for you, visit moosehockey.com/groups or contact one of our Moose Ticket Sales Representatives. To purchase your tickets now, visit moosehockey.com/tickets

2 ADDITIONAL DISCOUNTS

STUDENTS! During the regular season, take a study break with the Manitoba Moose. Use your Study Break app and take advantage of the BOGO Manitoba Moose Coupons. Also, keep an eye out for our annual student nights!

SHOW & SAVE; use your show and save coupons to redeem a buy one get one free ticket! (Check out the NEW Show & Save App)

3 FAMILIES

Attending the game with your kids? With our flexible price point options, pick the seating area that works best for your family. Due to the high speed of the hockey game, we recommend choosing seating options behind either net where there is protective netting and you won't have to worry about pucks entering the seating area.

If you are attending the game with a child under the age of two, no need to purchase an additional ticket as they can sit on your lap.

Flashing lights and loud music are a part of the in-game experience, so you may want to bring protective earwear for young children.
